

LEGISLATIVE UPDATE

Week of May 20, 2019

State Issues

Legislative Focus
this Week

This week, both houses have been busy working on moving the state budget along its process, as well as debating and voting on policy bills on the Floors of their respective houses. The Legislature has until next Friday, May 31 for each house to pass bills introduced in that house – or the bills will automatically become two-year bills.

Relative to the budget, the Assembly Budget Subcommittees finished their work Thursday, and the full Assembly Budget Committee will hear and is expected to have their final vote on their proposal today (Friday). The Senate Budget Committee wrapped up their work on Thursday. The Legislature took very little time to hear the specific May Revise items and seem to be rushing to focus on the more controversial items in Conference Committee. Starting next week, we expect the two houses to nominate a handful of their members to sit on the Conference Committee and hear those items of disagreement.

One of those items on the Conference Committee agenda is in the Managed Care Organization (MCO) tax. This is the tax on health plans that, when matched with federal funds, brings approximately \$1 billion investment into the state's Medi-Cal system. While the health plans and Administration have worked through the details of a new, revised MCO tax, the Governor did not include the tax or the revenue in the May Revise. The Governor indicated that the state had a great number of waivers pending at the federal level and he wanted to make sure "conditions were ripe" and to be strategic before submitting the plan for CMS approval. However, the Legislature is rejecting that delay in getting the important funding approved, and both have included the item in their Budget proposals. The Assembly indicates that the federal government has recently approved Michigan's version of an MCO tax, which suggests that California could continue to use this mechanism. The Assembly budget plan assumes a net General Fund benefit of \$858 million in 2019-20 and \$1.844 billion in 2020-21 through 2022-23 from this action. The Senate's budget plan also includes the MCO tax, but they adopted different funding figures. This will result in the item being included in Conference Committee to sort through the final figures – and to have some time to convince the Governor to approve this plan and approve the MCO tax policy.

Other items in Conference Committee include increased funding for state-only subsidies for families buying coverage through Covered California, as the Senate included funding, while the Assembly is running a policy bill to move this policy but have no funding included in the budget. Conference Committee will also be grappling with the expansion of Medi-Cal to undocumented residents – the Assembly includes funding for young adults 19-26, while the Senate includes funding for that group as well as for seniors over aged 65. The Governor only supports including those young adults, so more negotiation will have to take place.

The Legislature has until June 15 to finalize their budget bills and send them to the Governor's desk.

(Arambula D) Medi-Cal: eligibility.

Location: 5/20/2019-A. THIRD READING

Calendar: 5/24/2019 #129 ASSEMBLY THIRD READING FILE - ASSEMBLY BILLS

Summary: Current law requires that individuals under 19 years of age enrolled in restricted-scope Medi-Cal at the time the Director of Health Care Services makes a determination that systems have been programmed for implementation of these provisions to be enrolled in the full scope of Medi-Cal benefits, if otherwise eligible, pursuant to an eligibility and enrollment plan, which includes outreach strategies. Current law makes the effective date of enrollment for those individuals the same day that systems are operational to begin processing new applications pursuant to the director's determination, and requires the department to seek any necessary federal approvals to obtain federal financial participation for purposes of implementing the requirements. Current law requires that benefits for services under these provisions be provided with state-only funds only if federal financial participation is not available for those services. This bill would extend eligibility for full-scope Medi-Cal benefits to individuals of all ages, if otherwise eligible for those benefits, but for their immigration status, and would delete provisions delaying eligibility and enrollment until the director makes the determination as specified.

(Wood D) Health care coverage: financial assistance.

Location: 5/23/2019-S. DESK

Summary: Would require the board, contingent on an appropriation in the 2019–20 Budget Act, to administer enhanced premium assistance to individuals with household incomes below 400% of the federal poverty level, reduce premiums to zero for individuals with household incomes at or below 138% of the federal poverty level, reduce premiums for individuals with household incomes at or between 401% and 800% of the federal poverty level and who are ineligible for federal advanced premium tax credits so their premiums do not exceed a specified percentage of their household incomes, and administer specified additional cost-sharing financial assistance for individuals with household incomes below 400% of the federal poverty level and who are eligible for premium tax credits. The bill would authorize the board to proportionally reduce enhanced premium assistance if the projected cost for a fiscal year exceeds the amount appropriated in the Budget Act for that fiscal year. If the federal government reduces or eliminates funding for the advanced premium tax credit, the bill would end the administration of enhanced premium assistance 6 months after that change in federal funding.

(Bonta D) Health care coverage: minimum essential coverage.

Location: 5/20/2019-A. THIRD READING

Calendar: 5/24/2019 #218 ASSEMBLY THIRD READING FILE - ASSEMBLY BILLS

Summary: Existing federal law, the Patient Protection and Affordable Care Act (PPACA), enacts various health care coverage market reforms as of January 1, 2014. PPACA generally requires individuals, and any dependents of the individual, to maintain minimum essential coverage, as defined, and, if an individual fails to maintain minimum essential coverage, PPACA imposes on the individual taxpayer a penalty. This provision is referred to as the individual mandate. This bill would require a California resident to ensure that the resident and the resident's dependents are covered under minimum essential coverage for each month beginning after 2019.

(Pan D) Health care coverage: financial assistance.

Location: 5/16/2019-S. THIRD READING

Calendar: 5/24/2019 #17 SENATE SENATE BILLS -THIRD READING FILE

Summary: Would require the California Health Benefit Exchange, only to the extent that the Legislature appropriates funding for these purposes, to administer a program of financial assistance, to be known as the Affordable Care Access Plus Program, to help low-income and middle-income Californians access affordable health care coverage with respect to individual coverage that is made available through the Exchange. The bill would require the program to provide financial assistance to California residents with household incomes below 600% of the federal poverty level, and would authorize the program to provide other appropriate subsidies designed to make health care more accessible and affordable for individuals and households.

(Atkins D) Medi-Cal: federally qualified health center and rural health clinic services.

Location: 5/23/2019-A. DESK

Summary: Current law provides that federally qualified health center (FQHC) services and rural health clinic (RHC) services, as defined, are covered benefits under the Medi-Cal program, to be reimbursed, to the extent that federal financial participation is obtained, to providers on a per-visit basis. "Visit" is defined as a face-to-face encounter between a patient of an FQHC or RHC and specified health care professionals, including a physician and marriage and family therapist. Under existing law, "physician," for these purposes, includes, but is not limited to, a physician and surgeon, an osteopath, and a podiatrist. This bill would authorize reimbursement for a maximum of 2 visits taking place on the same day at a single location if after the first visit the patient suffers illness or injury requiring additional diagnosis or treatment, or if the patient has a medical visit and a mental health visit or a dental visit, as defined.

[AB 1572](#) (Chen R) Mental health services: gravely disabled.

Location: 3/14/2019-A. HEALTH

Summary: Current law, for the purposes of involuntary commitment and conservatorship, defines "gravely disabled." This bill would change the definition of "gravely disabled" for these purposes to read, in part, a condition in which a person, as a result of a mental health disorder, is incapable of making informed decisions about, or providing for, the person's own basic personal needs for food, clothing, shelter, or medical care without significant supervision and assistance from another person and, as a result of being incapable of making these informed decisions, the person is at risk of substantial bodily harm, dangerous worsening of a concomitant serious physical illness, significant psychiatric deterioration, or mismanagement of essential needs that could result in bodily harm.

[SB 596](#) (Stern D) Mental health.

Location: 2/22/2019-S. RLS.

Summary: The Lanterman-Petris-Short Act provides for the involuntary commitment and treatment of a person who is a danger to themselves or others or who is gravely disabled. Current law requires a person who receives evaluation or treatment pursuant to the act to be given a choice of physician or other professional person providing those services, in accordance with the policies of each agency providing those services, and within the limits of available staff in the agency. This bill would instead make that provision applicable to a person receiving both evaluation and treatment under the act.

[AB 149](#) (Cooper D) Controlled substances: prescriptions.

Location: 3/11/2019-A. CHAPTERED

Summary: Current law classifies certain controlled substances into designated schedules. Current law requires prescription forms for controlled substance prescriptions to be obtained from security printers approved by the department, as specified. Current law requires those prescription forms to be printed with specified features, including a uniquely serialized number. This bill would delay the requirement for those prescription forms to include a uniquely serialized number until a date determined by the Department of Justice that is no later than January 1, 2020. The bill would require, among other things, the serialized number to be utilizable as a barcode that may be scanned by dispensers.
