

LEGISLATIVE UPDATE

Week of September 23, 2019

State Issues	
Alliance Summary and Status Report	Governor Newsom has two more weeks to sign or veto bills that made it to his desk and does not seem to mind this October 13 deadline looming. He has been in New York City this week at a climate change conference, appeared as a guest on <i>The Daily Show</i> and is working on other matters. No action has been taken on SB 227 (Leyva), the bill that would substantially increase the penalties and requirements surrounding the nurse staff ratios. <i>Attached is the most recent Alliance Summary and Status report.</i>
DHCS Acting Director Named	On Thursday, Governor Newsom announced that Richard Figueroa Jr. (known as Fig) has been appointed acting director of the California Department of Health Care Services. As we reported, the current director, Jennifer Kent, abruptly announced her resignation three weeks ago and Friday is her last day at DHCS. Fig will take over as acting director next Monday, September 30. He is a veteran health policy expert who currently serves as the Governor’s deputy cabinet secretary. Before joining the Newsom Administration earlier this year, he was director of prevention for The California Endowment from 2010 to 2018. He served under both Governor Arnold Schwarzenegger and Governor Gray Davis. He also was the legislative director for State Insurance Commissioner John Garamendi; principal consultant of the state Senate Insurance Committee; deputy director of eligibility and enrollment at the California Managed Risk Medical Insurance Board; senior consultant at the state Senate Budget and Fiscal Review Committee; and, a program analyst at the California Legislative Analyst’s Office.
Challenge to MICRA	<p>This week a coalition led by Consumer Watchdog – opponents of the Medical Injury Compensation Reform Act (MICRA), passed in 1975 – are seeking to pass a November 2020 ballot initiative. According to Consumer Watchdog, the ballot measure would adjust the maximum \$250,000 compensation cap set in 1975 on quality of life and wrongful death survivor damages. The initiative adjusts the compensation cap for inflation, allows judges and jurors to decide that compensation above the cap is appropriate in certain cases of catastrophic injury or death, and requires that juries be informed about the existence of the cap. Indexing the \$250,000 cap for inflation would raise it to over \$1.2 million in today’s dollars.</p> <p>As you may recall, California voters in 2014 recognized that changes to MICRA would ultimately increase costs and decrease access to health care when they resoundingly rejected similar language in Proposition 46 by a 2-1 margin. The Alliance is part of a large coalition, Californian Allied for Patient Protection (CAPP), whose mission is to protect access to health care through California’s MICRA law. While CAPP is reviewing the details of the initiative and is prepared to defend existing law, they stated it includes many provisions that would hurt access to health care in California, including increased attorneys’ fees.</p>

Challenge to MICRA (continued)	It has been reported that opponents to MICRA indicated they had met with then-gubernatorial candidate Newsom in 2017, where he supposedly said that MICRA was a bad law that never should have been passed, and that he intended to change it. However, when Governor Newsom's office was asked to comment on this proposed initiative, they declined. Consumer Watchdog estimates it will need \$4 million to gather signatures and qualify the initiative. More to come.

Alliance of Catholic Health Care Legislative Summary and Status 9/26/2019

Access / Health Care Reform

[AB 4](#) ([Arambula D](#)) **Medi-Cal: eligibility.**

Location: 7/10/2019-S. 2 YEAR

Summary: Current law requires that individuals under 19 years of age enrolled in restricted-scope Medi-Cal at the time the Director of Health Care Services makes a determination that systems have been programmed for implementation of these provisions to be enrolled in the full scope of Medi-Cal benefits, if otherwise eligible, pursuant to an eligibility and enrollment plan, which includes outreach strategies. Current law makes the effective date of enrollment for those individuals the same day that systems are operational to begin processing new applications pursuant to the director's determination, and requires the department to seek any necessary federal approvals to obtain federal financial participation for purposes of implementing the requirements. Current law requires that benefits for services under these provisions be provided with state-only funds only if federal financial participation is not available for those services. This bill would extend eligibility for full-scope Medi-Cal benefits to individuals of all ages, if otherwise eligible for those benefits, but for their immigration status, and would delete provisions delaying eligibility and enrollment until the director makes the determination as specified.

Position

Support

[AB 174](#) ([Wood D](#)) **Health care.**

Location: 9/12/2019-A. ENROLLED

Summary: Current law, until January 1, 2023, requires the Exchange, among other duties, to administer an individual market assistance program to provide health care coverage financial assistance to California residents with household incomes at or below 600% of the federal poverty level. This bill would, until January 1, 2023, require the board of the Exchange to develop and prepare biannual public reports for the purpose of informing the California Health and Human Services Agency, the Legislature, and the public about the enrollment process for the individual market assistance program.

Position

Support

[AB 414](#) ([Bonta D](#)) **Health care coverage: minimum essential coverage.**

Location: 9/24/2019-A. ENROLLED

Summary: Current state law creates the Minimum Essential Coverage Individual Mandate to ensure an individual and the individual's spouse and dependents maintain minimum essential coverage, and imposes the Individual Shared Responsibility Penalty for the failure to maintain minimum essential coverage. This bill, on or before March 1, 2022, and annually on or before March 1 thereafter, would require the Franchise Tax Board to report to the Legislature on specified information regarding the Minimum Essential Coverage Individual Mandate, the Individual Shared Responsibility Penalty, and state financial subsidies paid for health care coverage.

Position

Support

[SB 29](#) ([Durazo D](#)) **Medi-Cal: eligibility.**

Location: 9/15/2019-A. 2 YEAR

Summary: Would, subject to an appropriation by the Legislature, and effective July 1, 2020, extend eligibility for full-scope Medi-Cal benefits to individuals who are 65 years of age or older, and who are otherwise eligible for those benefits but for their immigration status.

Position

Support

[SB 65](#) ([Pan D](#)) **Health care coverage: financial assistance.**

Location: 8/30/2019-A. 2 YEAR

Summary: Would, until January 1, 2023, require the board of the Exchange to develop and prepare one or more reports to be issued at least quarterly and to be made publicly available within 30 days following the end of each quarter for the purpose of informing the California Health and Human Services Agency, the Legislature, and the public about the enrollment process for the individual market assistance program. The bill would require the reports to contain specified information, including, among other things, the number of applications received for the program, the disposition of those applications, and the total number of grievances and appeals filed by applicants and enrollees.

Position
Support

[SB 66](#) (Atkins D) Medi-Cal: federally qualified health center and rural health clinic services.

Location: 9/15/2019-A. 2 YEAR

Summary: Current law provides that federally qualified health center (FQHC) services and rural health clinic (RHC) services, as defined, are covered benefits under the Medi-Cal program, to be reimbursed, to the extent that federal financial participation is obtained, to providers on a per-visit basis. "Visit" is defined as a face-to-face encounter between a patient of an FQHC or RHC and specified health care professionals, including a physician and marriage and family therapist. Under existing law, "physician," for these purposes, includes, but is not limited to, a physician and surgeon, an osteopath, and a podiatrist. This bill would authorize reimbursement for a maximum of 2 visits taking place on the same day at a single location if after the first visit the patient suffers illness or injury requiring additional diagnosis or treatment, or if the patient has a medical visit and a mental health visit or a dental visit, as defined.

Position
Support

[SB 175](#) (Pan D) Health care coverage: minimum essential coverage.

Location: 6/4/2019-S. 2 YEAR

Summary: Would create the Minimum Essential Coverage Individual Mandate to require a California resident to ensure that the resident, and any dependent of the resident, is covered under minimum essential health coverage, as defined, for each month beginning on January 1, 2020, except as specified. The bill would require the Exchange to grant exemptions from the mandate for reason of hardship or religious conscience, and would require the Exchange to establish a process for determining eligibility for an exemption.

Position
Support

[SB 260](#) (Hurtado D) Automatic health care coverage enrollment.

Location: 9/18/2019-S. ENROLLED

Summary: Would require the Exchange, beginning no later than July 1, 2021, to enroll an individual in the lowest cost silver plan or another plan, as specified, upon receiving the individual's electronic account from an insurance affordability program. The bill would require enrollment to occur before coverage through the insurance affordability program is terminated, and would prohibit the premium due date from being sooner than the last day of the first month of enrollment. The bill would require the Exchange to provide an individual who is automatically enrolled in the lowest cost silver plan with a notice that includes specified information, including the individual's right to select another available plan or to not enroll in the plan.

Behavioral Health

[AB 43](#) (Gloria D) Mental health.

Location: 7/8/2019-S. APPR. SUSPENSE FILE

Summary: Current law authorizes the Mental Health Services Act (MHSA) to be amended by a 2/3 vote of each house of the Legislature if the amendments are consistent with, and further the intent of, the act. Current law authorizes the Legislature to add provisions to the act to clarify procedures and terms of the act by majority vote. This bill would clarify that the planning process for innovative programs is to be completed in collaboration with stakeholders and is to comply with open meetings laws.

Position
Watch

[AB 563](#) (Quirk-Silva D) Mental health: funding.

Location: 5/1/2019-A. APPR. SUSPENSE FILE

Summary: Would appropriate \$16,000,000 from the General Fund to the State Department of Health Care Services to distribute to the North Orange County Public Safety Task Force for the development of a 2-year pilot program. The bill would require 1/2 of the moneys to be distributed on January 1, 2020, and 1/2 to be distributed on January 1, 2021, and would require the moneys to be used to provide a range of programs, services, and activities designed to assist individuals and families experiencing mental health crises. The bill would require the task force to submit a report to the Legislature by July 1, 2021, and again by July 1, 2022, documenting the findings and outcomes of the pilot program.

Position

Watch

[AB 682](#) (Eggman D) Health facilities: residential mental health or substance use disorder treatment.

Location: 5/17/2019-A. 2 YEAR

Summary: Would require the State Department of Public Health, in consultation with specified entities, to develop and submit a proposal to solicit a grant under the federal 21st Century Cures Act to develop a real-time, Internet-based database to collect, aggregate, and display information about the availability of beds in inpatient psychiatric facilities, crisis stabilization units, residential community mental health facilities, and licensed residential alcoholism or drug abuse recovery or treatment facilities for treatment purposes.

Position

Watch

[AB 1572](#) (Chen R) Mental health services: gravely disabled.

Location: 3/14/2019-A. HEALTH

Summary: Current law, for the purposes of involuntary commitment and conservatorship, defines "gravely disabled." This bill would change the definition of "gravely disabled" for these purposes to read, in part, a condition in which a person, as a result of a mental health disorder, is incapable of making informed decisions about, or providing for, the person's own basic personal needs for food, clothing, shelter, or medical care without significant supervision and assistance from another person and, as a result of being incapable of making these informed decisions, the person is at risk of substantial bodily harm, dangerous worsening of a concomitant serious physical illness, significant psychiatric deterioration, or mismanagement of essential needs that could result in bodily harm.

Position

Watch

[SB 596](#) (Stern D) Mental health.

Location: 2/22/2019-S. RLS.

Summary: The Lanterman-Petris-Short Act provides for the involuntary commitment and treatment of a person who is a danger to themselves or others or who is gravely disabled. Current law requires a person who receives evaluation or treatment pursuant to the act to be given a choice of physician or other professional person providing those services, in accordance with the policies of each agency providing those services, and within the limits of available staff in the agency. This bill would instead make that provision applicable to a person receiving both evaluation and treatment under the act.

[AB 149](#) (Cooper D) Controlled substances: prescriptions.

Location: 3/11/2019-A. CHAPTERED

Summary: Current law classifies certain controlled substances into designated schedules. Current law requires prescription forms for controlled substance prescriptions to be obtained from security printers approved by the department, as specified. Current law requires those prescription forms to be printed with specified features, including a uniquely serialized number. This bill would delay the requirement for those prescription forms to include a uniquely serialized number until a date determined by the Department of Justice that is no later than January 1, 2020. The bill would require, among other things, the serialized number to be utilizable as a barcode that may be scanned by dispensers.

Position

Support

[AB 389](#)**(Santiago D) Substance use disorder treatment: peer navigators.****Location:** 4/26/2019-A. 2 YEAR

Summary: Would require the State Department of Health Care Services to either establish a pilot program or expand an existing pilot program for purposes of measuring the efficacy and cost avoidance of utilizing trained substance use disorder peer navigators and behavioral health peer navigators in the emergency department of an acute care hospital, as described, if Funds for this purpose are appropriated in the annual Budget Act. The bill would provide that an acute care hospital may be eligible to receive funding under the pilot program to fund peer navigator positions.

Position

Watch

[AB 714](#)**(Wood D) Opioid prescription drugs: prescribers.****Location:** 9/5/2019-A. CHAPTERED

Summary: Current law requires a prescriber, as defined, to offer to a patient a prescription for naloxone hydrochloride or another drug approved by the United States Food and Drug Administration for the complete or partial reversal of opioid depression when certain conditions are present, including if the patient presents with an increased risk for overdose or a history of substance use disorder, and to provide education on overdose prevention to patients receiving a prescription and specified other persons. This bill would make those provisions applicable only to a patient receiving a prescription for an opioid or benzodiazepine medication, and would make the provisions specific to opioid-induced respiratory depression, opioid overdose, opioid use disorder, and opioid overdose prevention, as specified. The bill, among other exclusions, would exclude from the above-specified provisions requiring prescribers to offer a prescription and provide education prescribers when ordering medications to be administered to a patient in an inpatient or outpatient setting.

Position

Watch

[AB 774](#)**(Reyes D) Health facilities: reporting.****Location:** 9/13/2019-A. ENROLLED

Summary: Current law requires hospitals to file an Emergency Care Data Record for each patient encounter in a hospital emergency department with the Office of Statewide Health Planning and Development. Current law requires the record to contain specified patient and health data information, including the service date. This bill would additionally require the Hospital Discharge Abstract Data Record to note, when the source of admission is an emergency department, the service date and time and the date and time of release from emergency care.

Position

Watch

[AB 844](#)**(Irwin D) Health facilities: mandated hospital services and activities.****Location:** 4/26/2019-A. 2 YEAR

Summary: Current law, until July 1, 2020, requests that the University of California to establish the California Health Benefit Review Program to assess legislation proposing to mandate a benefit or service of a health care service plan or health insurer or proposing to repeal an existing mandated benefit or service of a health care service plan or health insurer. Current law requests that the university provide that analysis to the appropriate policy and fiscal committees of the Legislature not later than 60 days after receiving a request for the analysis. This bill would establish an independent, nonpartisan body to advise the Governor and Legislature on the financial impact of proposed mandated hospital services and activities.

Position

Support

[AB 910](#)**(Wood D) General acute care hospitals: consolidated licensing.****Location:** 4/26/2019-A. 2 YEAR

Summary: Would require the State Department of Public Health, on or before January 1, 2021, to report to the Legislature the name, location, and license identification of every general acute care hospital operating under a single consolidated license that operates 2 or more physical plants located more than 15 miles apart. The bill would further require the department, on or before January 1, 2022, and annually thereafter, to update the report, as specified. The bill would also make technical changes to these provisions.

Position

Watch

[AB 962](#)**(Burke D) Hospitals: procurement contracts.****Location:** 9/13/2019-A. ENROLLED

Summary: Would require a licensed hospital with operating expenses of \$50,000,000 or more, and a licensed hospital with operating expenses of \$25,000,000 or more that is part of a hospital system, to

annually submit a report to the Office of Statewide Health Planning and Development on its minority, women, LGBT, and disabled veteran business enterprise procurement efforts, as specified. The bill would require the reports to be submitted on July 1, 2021, and then annually thereafter. The bill would impose specified civil penalties for a failure to submit a report. The bill would require the office to maintain a link on the office's internet website that provides public access to the content of those reports, as specified.

Position

[AB 1404](#) (Santiago D) Nonprofit sponsors: reporting obligations.

Location: 9/15/2019-S. 2 YEAR

Summary: The Nonprofit Corporation Law regulates the organization and operation of nonprofit public benefit corporations, nonprofit mutual benefit corporations, and nonprofit religious corporations, including, but not limited to, health care service plans. That law requires a nonprofit public benefit corporation to furnish annually to its members a report that includes the assets and liabilities of the corporation, revenue or receipts of the corporation, and the expenses or disbursements of the corporation. This bill would require a nonprofit sponsor to make specified annual disclosures publicly available by posting those disclosures on the nonprofit sponsor's public internet website in the same location where it posts copies of its annual report.

Position
Watch

[AB 1495](#) (O'Donnell D) Hospitals: seismic safety.

Location: 4/26/2019-A. 2 YEAR

Summary: Would specify that if a hospital submitted a seismic compliance plan based on a removal plan, but also submitted a timely seismic compliance plan or plans based on one or more of the other methods of seismic compliance, the extension may be granted for the seismic compliance plan or plans based on the methods other than the removal plan.

[AB 1630](#) (Irwin D) Medical billing task force.

Location: 4/26/2019-A. 2 YEAR

Summary: Would require OSHPD, in consultation with the Insurance Commissioner, to establish a medical billing task force on or before April 1, 2020. The bill would require the task force to, among other things, engage interested parties in the development of a system to improve the readability of medical bills and create a standard medical billing form. The bill would require OSHPD, on or before December 1, 2020, to submit a report to the Legislature on the task force's efforts.

Position

Watch

[SB 343](#) (Pan D) Health care data disclosure.

Location: 9/5/2019-S. CHAPTERED

Summary: Current law generally requires a health care facility to report specified data to OSHPD, but requires OSHPD to establish specific reporting provisions for a health facility that receives a preponderance of its revenue from associated comprehensive group practice prepayment health care service plans. Current law authorizes hospitals to report specified financial and utilization data to OSHPD, and file cost data reports with OSHPD, on a group basis, and exempts hospitals authorized to report as a group from reporting revenue separately for each revenue center. This bill would eliminate alternative reporting requirements for a plan or insurer that exclusively contracts with no more than 2 medical groups or a health facility that receives a preponderance of its revenue from associated comprehensive group practice prepayment health care service plans and would instead require those entities to report information consistent with any other health care service plan, health insurer, or health facility, as appropriate.

[AB 204](#) (Wood D) Hospitals: community benefits plan reporting.

Location: 9/18/2019-A. ENROLLED

Summary: Current law requires private not-for-profit hospitals to, among other things, adopt and update a community benefits plan, as defined, for providing community benefits either alone, in conjunction with other health care providers, or through other organizational arrangements. Current law requires these hospitals to annually submit their community benefits plans to the Office of Statewide Health Planning and Development and, to the extent practicable, assign and report the economic value of community benefits provided. Current law defines specified terms for purposes of these provisions and makes certain findings and declarations regarding the social obligation of private not-for-profit hospitals to provide community benefits in the public interest. This bill would require the Office of Statewide Health Planning and Development to annually prepare a report on community benefits, as specified, and post the report and the community benefit plans submitted by the hospitals on its internet website.

[SB 227](#) (Leyva D) Health and care facilities: inspections and penalties.

Location: 9/10/2019-S. ENROLLED

Summary: Current law specifically requires the State Department of Public Health to adopt regulations that require a general acute care hospital, an acute psychiatric hospital, and a special hospital to meet minimum nurse-to-patient ratios and assign additional staff according to a documented patient classification system for determining nursing care requirements. Current law also generally requires the department to periodically inspect every health facility for which a license or special permit has been issued for compliance with state laws and regulations, and to ensure that those periodic inspections are not announced in advance of inspection. This bill would require the periodic inspections of these specified health facilities to include reviews of compliance with the nurse-to-patient ratios and staff assignment regulations described above.

[SB 697](#) (Caballero D) Physician assistants: practice agreement: supervision.

Location: 9/19/2019-S. ENROLLED

Summary: The Physician Assistant Practice Act requires the physician assistant and the supervising physician and surgeon to establish written guidelines for adequate supervision, and authorizes the supervising physician and surgeon to satisfy this requirement by adopting protocols for some or all of the tasks performed by the physician assistant, as provided. The act additionally authorizes a delegation of services agreement to authorize a physician assistant to order durable medical

equipment, to approve, sign, modify, or add to a plan of treatment or plan of care for individuals receiving home health services or personal care services, or to certify disability, as provided. This bill would remove the requirement that the Physician Assistant Board make recommendations to the Medical Board of California concerning the formulation of guidelines for the consideration and approval of applications by licensed physicians and surgeons to supervise physician assistants.
