

# LEGISLATIVE UPDATE

Week of June 13, 2022

## State Issues

State Budget Approved

This week, the Legislature voted to approve a \$300 billion budget – prior to the June 15 deadline. SB 154 (Skinner) was amended, heard in policy committees, and passed by both houses of the Legislature in under a week (4 business days to be exact). Following is a brief summary; however, there are many issues not yet resolved.

Under California law, the Legislature must approve a budget by June 15 or forgo their pay checks. The Governor must sign the budget bill by June 30, in time for the state's new fiscal year to begin on July 1. It is not uncommon for many budget details to be worked out and approved in the weeks following those deadlines, but this year there are more outstanding issues than normal. The main reason being that this year we have an historic \$98 billion surplus, but a looming fiscal downturn making finding the right balance between spending and saving, and ongoing funds and one-time funding, more complicated. Another complicating factor is this is an election year when every Legislator and the Governor want to show that they can deliver tangible benefits to their constituents.

The budget approved by the Legislature Monday includes a record amount of money for public schools and higher education – \$40 billion for infrastructure projects, as well as a total of \$37.8 billion for budgetary reserves, which is nearly double the amount in savings before the pandemic in 2019.

The main health care spending item included in the budget is a commitment to make Medi-Cal available for every low-income California resident, regardless of immigration status. Despite the enormous amount of spending (and saving) in the budget, there are still many details for lawmakers and the Governor to work out.

Chief among them is the size and eligibility for a tax relief package aimed at helping Californians cope with inflation and record-high gas prices. Months ago, Governor Newsom proposed providing \$400 per vehicle — up to \$800 — to car owners to offset the rising cost of fuel. Leaders in the Assembly and Senate have insisted on targeting tax relief to lower-income residents, who are hit harder by inflation, by proposing to provide \$200 per person, with an additional \$200 per dependent, for individuals earning up to \$125,000 or families with incomes up to \$250,000. However, after months of having these proposals out there, neither side has amended their plan, and seem no closer to an agreement.

Major health care issues for the hospital community include, among others, retention pay for health care workers, Office of Health Care Affordability, and hospital seismic relief.

*(more)*

<p>State Budget Approved (continued)</p>	<p>The negotiations on <b>hospital retention pay</b> are ongoing between the hospital community, unions, and the Administration. Everyone is supportive of the Governor’s general plan – provide State General Fund bonuses of \$1,000 to health care workers. However, there are critical implementation details still being discussed, including who is covered, how the payments will be provided, and what would constitute a matching bonus from a hospital.</p> <p>Major details of the <b>Office of Health Care Affordability</b> have been a center of attention for several years now – dating back to informational hearings held by Assembly Health Committee and championed by Dr. Jim Wood several years ago. His introduction of AB 1130 last year energized this issue and negotiations have been occurring in earnest since then. The concerns from the health care community are numerous, but political will to table the idea has diminished. Many affected by the proposal are resigned to the fact that there will be a policy passing this year; therefore, amendments have been flooding in from all sectors impacted by the measure in an attempt to make it realistically implementable. The negotiations between the Speaker, Pro Tem, Administration and Dr. Wood’s office have been occurring all year, and we continue to hear that final language will be in print “soon.” One outstanding sticking point is who will be allowed to sit on the Commission reviewing the health care costs – with legal opinions being drafted regarding potential conflicts of interest.</p> <p><b>Hospital seismic relief</b> has been an outstanding issue for years, with hospitals wanting to amend the 2030 standards to better reflect the needs of communities today during a myriad of disasters, and the unions wanting to maintain the current standards, regardless of their cost or value. It seems likely that we will end this budget cycle without a complete resolution of the issue, but work continues.</p> <p>We expect some budget trailer bills to be released in the next two weeks – before the Legislature goes on their Summer Break, which begins on July 1. The concern is if they wait to tackle all this budget work when they return from break on August 1, they we will simply run out time. The legislative session ends August 31, when all policy items and budget items need to be resolved.</p>
<p>Status of Key Legislation</p>	<p>Advocacy continues on key bills, many of which have yet to be set for hearing. The deadline to hear bills in their second policy committee is two weeks away (July 1).</p> <p><b>AB 2080 (Wood): Health Care Consolidation.</b> The Alliance is part of a large coalition opposing this bill, which would grant a great deal of new authority to the Attorney General over health care transactions. The bill is not yet set for hearing in Senate Health Committee. Dr. Richard Pan, committee chair, wants amendments to the bill; so far, no agreement has come from Dr. Wood to those changes.</p> <p><b>SB 958 (Limon): Medication Safety (“white bagging”).</b> We are pleased to support this bill, which is sponsored by CHA and will ensure patients are able to access medications that need to be infused or injected in a timely and safe manner. The health plans are strongly opposed to the bill, and it also has not yet been set for hearing in its assigned Assembly Health Committee.</p> <p style="text-align: right;"><i>(more)</i></p>

<p>Status of Key Legislation (continued)</p>	<p><b>SB 213 (Cortese): Workers Compensation: Hospital Employees.</b> This would change the presumption of workers compensation claims for hospital workers. Opposed by CHA, this bill has not been set in Assembly Insurance Committee and there is hope that the chair will simply refuse to hear it – thereby killing it for the year.</p> <p><b>AB 2338 (Gipson): Surrogate Decisionmaker Hierarchy.</b> The Alliance is in coalition with others opposing this bill, but we have offered amendments that would remove our opposition. The bill is designed to provide direction to hospital staff about who gets to make medical decisions for incapacitated patients. The author’s office has agreed to take our amendments, which ensure hospital staff can use their judgment on who is best to make those decisions, but so far those amendments have not shown up in print. We are hopeful the bill will be appropriately amended this week, and if so, we will remove our opposition. This bill has not been set in Senate Judiciary Committee.</p>
<p>Legislative Summary and Status Report</p>	<p>Attached is the Alliance’s Legislative Summary and Status report on bills of interest to the Catholic health ministry.</p>
<p>New Assembly Member</p>	<p>Earlier this week, Democrat David Alvarez was sworn in as the Assemblymember for the 80th Assembly District, representing southern San Diego County. Alvarez’s victory in the special election means he’ll complete the term vacated by former Assemblywoman Lorena Gonzalez, who resigned earlier this year to lead the California Labor Federation.</p> <p>Alvarez made a more concerted appeal to moderate and conservative voters than his opponent, former City Councilwoman Georgette Gómez. He stressed his commitment to protecting South Bay communities from increasing crime and his promise to “change” a Sacramento that has a Democratic supermajority and a Democratic governor.</p> <p>With that said, he indicated that he will not be spending much time in Sacramento, given he has to. Interestingly, he “will be spending the time with the community members, listening to their concerns, and whenever the state bureaucracy is in the way of them receiving services, to make sure that it works for them.” While Alvarez was sworn in on Wednesday, he will face Gómez again in the fall general election for the next term.</p> <p>Assemblymember Alvarez is a small business owner and has served as a member of major San Diego public organizations including the San Diego County Regional Airport Authority, San Diego Association of Governments, and Metropolitan Transit System. He also served on the board of the California League of Cities’ Latino Caucus and the national board of Local Progress, a nonprofit dedicated to advancing a racial and economic justice agenda through all levels of local government. He has made economic and environmental justice for all communities one of his top priorities in office.</p>

# Alliance of Catholic Health Care Legislative Summary and Status 6/17/2022

## Access

### [AB 4](#) ([Arambula D](#)) **Medi-Cal: eligibility.**

**Location:** 8/27/2021-S. 2 YEAR

**Summary:** Would, effective January 1, 2022, extend eligibility for full scope Medi-Cal benefits to anyone regardless of age, and who is otherwise eligible for those benefits but for their immigration status, pursuant to an eligibility and enrollment plan. The bill would delete the specified provisions regarding individuals who are under 25 years of age or 65 years of age or older and delaying implementation until the director makes the determination described above. The bill would require the eligibility and enrollment plan to ensure that an individual maintains continuity of care with respect to their primary care provider, as prescribed, would provide that an individual is not limited in their ability to select a different health care provider or Medi-Cal managed care health plan, and would require the department to provide monthly updates to the appropriate policy and fiscal committees of the Legislature on the status of the implementation of these provisions

#### **Position**

Support

### [AB 32](#) ([Aguiar-Curry D](#)) **Telehealth.**

**Location:** 6/16/2022-S. HEALTH

**Calendar:** 6/29/2022 1:30 p.m. - 1021 O Street, Room 1200 SENATE HEALTH, PAN, Chair

**Summary:** Current law requires a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2021, to specify that coverage is provided for health care services appropriately delivered through telehealth on the same basis and to the same extent as in-person diagnosis, consultation, or treatment. Current law exempts Medi-Cal managed care plans that contract with the State Department of Health Care Services under the Medi-Cal program from these provisions, and generally exempts county organized health systems that provide services under the Medi-Cal program from Knox-Keene. This bill would delete the above-described references to contracts issued, amended, or renewed on or after January 1, 2021, would require these provisions to apply to the plan or insurer's contracted entity, as specified, and would delete the exemption for Medi-Cal managed care plans.

### [AB 1878](#) ([Wood D](#)) **California Health Benefit Exchange: affordability assistance.**

**Location:** 6/8/2022-S. HEALTH

**Calendar:** 6/29/2022 1:30 p.m. - 1021 O Street, Room 1200 SENATE HEALTH, PAN, Chair

**Summary:** Current law requires the California Health Benefit Exchange, in consultation with stakeholders and the Legislature, to develop options for providing cost-sharing reduction subsidies to reduce cost sharing for low- and middle-income Californians, and requires the Exchange to report the developed options on or before January 1, 2022. Current law requires the options to include, among other things, options for all Covered California enrollees with income up to 400 percent of the federal poverty level to reduce cost sharing, including copays, deductibles, coinsurance, and maximum out-of-pocket costs. This bill would require the Exchange to implement those options for providing health care affordability assistance. The bill would require the affordability assistance to reduce cost sharing, including copays, coinsurance, and maximum out-of-pocket costs, and to eliminate deductibles for all benefits. The bill would specify the actuarial value of cost-sharing assistance based on the income level of an enrollee, and would require the Exchange to adopt standard benefit designs consistent with these specifications.

### [AB 2530](#) ([Wood D](#)) **California Health Benefit Exchange: financial assistance.**

**Location:** 6/1/2022-S. HEALTH

**Calendar:** 6/29/2022 1:30 p.m. - 1021 O Street, Room 1200 SENATE HEALTH, PAN, Chair

**Summary:** This bill, upon appropriation by the Legislature, would require the California Health Benefit Exchange (Exchange) to administer a program of financial assistance to help Californians obtain and maintain health benefits through the Exchange if they lose employer-provided health care coverage as a result of a labor dispute. Under the bill, an individual who has lost minimum essential coverage from an employer or joint labor management trust fund as a result of a strike, lockout, or other labor dispute would receive the same premium assistance and cost-sharing reductions as an individual with a household income of 133% of the federal poverty level, and would also not pay a deductible for any

covered benefit.

Support

**[SB 56](#) (Durazo D) Medi-Cal: eligibility.**

**Location:** 8/27/2021-A. 2 YEAR

**Summary:** Current law provides that Medi-Cal benefits for individuals who are 65 years of age or older, and who do not have satisfactory immigration statuses or are unable to establish satisfactory immigration statuses, will be prioritized in the Budget Act for the upcoming fiscal year if the Department of Finance projects a positive ending balance in the Special Fund for Economic Uncertainties for the upcoming fiscal year and each of the ensuing 3 fiscal years that exceeds the cost of providing those individuals with full-scope Medi-Cal benefits. This bill would, subject to an appropriation by the Legislature, and effective July 1, 2022, extend eligibility for full-scope Medi-Cal benefits to individuals who are 60 years of age or older, and who are otherwise eligible for those benefits but for their immigration status.

## COVID Related

**[AB 1105](#) (Rodriguez D) Hospital workers: COVID-19 testing.**

**Location:** 8/27/2021-S. 2 YEAR

**Summary:** Current law sets forth safety and health requirements for employers and employees. Current law requires a public or private employer of workers in a general acute care hospital, as defined, to supply personal protective equipment, as defined, to employees who provide direct patient care or who provide services that directly support patient care. Current law provides that, except where another penalty is specifically provided, every employer and every officer, management official, or supervisor having direction, management, control, or custody of any employment, place of employment, or of any other employee, who repeatedly violates any standard, order, or special order, or any provision of specified employment safety laws so that such repeated violation creates a real and apparent hazard to employees is guilty of a misdemeanor. This bill would require the employer to supply personal protective equipment to an employee, regardless of whether or not the employee has received a vaccination for COVID-19. This bill would also require a public or private employer of workers in a general acute care hospital to develop and implement a program to offer weekly COVID-19 screening testing for health care personnel, as defined.

**Position**  
Oppose Unless  
Amend

**[SB 637](#) (Newman D) Health facility reporting: staffing.**

**Location:** 9/10/2021-A. 2 YEAR

**Summary:** Current law provides for the licensure and regulation of certain health facilities, including general acute care hospitals, by the State Department of Public Health. This bill would require a general acute care hospital to report specified information to the department on a form and schedule determined by the department, and would require the department to publicly post the information on a weekly basis during any health-related state of emergency in California proclaimed by the President of the United States or by the Governor, and on a monthly basis at all other times. The bill would require that the reports contain information on staffing, including, until January 1, 2025, or the end of the declared COVID-19 emergency, whichever comes first, on matters relating to COVID-19 cases.

**Position**  
Oppose Unless  
Amend

## End of Life/Palliative Care

**[AB 1852](#) (Patterson R) Health facilities: automated drug delivery systems.**

**Location:** 6/1/2022-S. APPR.

**Summary:** Current law authorizes the use of automated drug delivery systems, as defined, for pharmacy services in nursing, skilled nursing, and intermediate care facilities. This bill would add licensed hospice facilities to the list of facilities authorized to use an automated drug delivery system, and would expressly include an automated unit dose system within the definition of an automated drug delivery system. By expanding the scope of a crime, this bill would impose a state-mandated local program.

**Position**  
Watch

**[AB 2288](#) (Choi R) Advance health care directives: mental health treatment.**

**Location:** 6/16/2022-A. ENROLLED

**Summary:** The Health Care Decisions Law, authorizes an adult having capacity to give an individual health care instruction. Current law authorizes the individual instruction to be limited to take effect only if a specified condition arises. Current law authorizes a written advance health care directive to include the individual's nomination of a conservator of the person or estate or both, or a guardian of the person or estate or both, for consideration if protective proceedings for the individual's person or estate are thereafter commenced. Current law also authorizes an adult having capacity to execute a power of attorney for health care to authorize an agent to make health care decisions for the principal, and authorizes the power of attorney to include individual health care instructions. Current law authorizes the principal in a power of attorney for health care to grant authority to make decisions relating to the personal care of the principal, including, but not limited to, determining where the principal will live, providing meals, or hiring household employees. Current law defines "health care decision" and "health care" for these purposes to mean any care, treatment, service, or procedure to maintain, diagnose, or otherwise affect a patient's physical or mental condition. This bill would clarify that health care decisions under those provisions include mental health conditions.

**Position**  
Watch

**[AB 2338](#) (Gipson D) Health care decisions: decisionmakers and surrogates.**

**Location:** 6/1/2022-S. JUD.

**Calendar:** 6/28/2022 10 a.m. - 1021 O Street, Room 2100 SENATE JUDICIARY, UMBERG, Chair

**Summary:** Current law authorizes an adult having capacity to give an individual health care instruction and to designate a health care decisionmaker, including an agent designated in a power of attorney or a surrogate effective for a specified period of time, to make health care decisions on the person's behalf. Current law authorizes a patient to disqualify a person, including a family member, from acting as the patient's surrogate. This bill would authorize legally recognized health care decisionmakers, in an order of priority, to make health care decisions on a patient's behalf if the patient lacks the capacity to make a health care decision. If a patient does not have a legally recognized health care decisionmaker, the bill would specify individuals, in an order of priority, who may be chosen as a surrogate if the patient lacks the capacity to make a health care decision.

**Position**  
Oppose Unless  
Amend

## Health Care Reform

**[AB 1130](#) (Wood D) California Health Care Quality and Affordability Act.**

**Location:** 2/14/2022-S. HEALTH

**Summary:** Current law generally requires the State Department of Public Health to license, inspect, and regulate health facilities, including hospitals. Current law requires health facilities to meet specified cost and disclosure requirements, including maintaining an understandable written policy regarding discount payments and charity. This bill would establish, within Department of Health Care Access and Information (HCAI), the Office of Health Care Affordability to analyze the health care market for cost trends and drivers of spending, develop data-informed policies for lowering health care costs for consumers and purchasers, set and enforce cost targets, and create a state strategy for controlling

the cost of health care and ensuring affordability for consumers and purchasers.

**Position**

Oppose Unless  
Amend

## Hospital Operations and Finance

**[AB 35](#) (Reyes D) Civil damages: medical malpractice.**

**Location:** 5/23/2022-A. CHAPTERED

**Summary:** Current law, referred to as the Medical Injury Compensation Reform Act of 1975 (MICRA), prohibits an attorney from contracting for or collecting a contingency fee for representing any person seeking damages in connection with an action for injury or damage against a health care provider based upon alleged professional negligence in excess of specified limits. This bill would recast those provisions and base the amount of contingency fee that may be contracted for upon whether recovery is pursuant to settlement agreement and release of all claims executed before a civil complaint or demand for arbitration is filed, or pursuant to settlement, arbitration, or judgment after a civil complaint or demand for arbitration is filed, as specified. The bill would add and revise definitions for these purposes.

**Position**

Support

**[AB 1882](#) (Rivas, Robert D) Hospitals: seismic safety.**

**Location:** 6/8/2022-S. APPR.

**Calendar:** 6/27/2022 10 a.m. - 1021 O Street, Room 2200 SENATE APPROPRIATIONS, PORTANTINO, Chair

**Summary:** The Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983 requires an owner of a general acute care inpatient hospital, no later than January 1, 2030, to either demolish, replace, or change to nonacute care use all hospital buildings not in substantial compliance with the regulations and standards developed pursuant to the act, or seismically retrofit all acute care inpatient hospital buildings so that they are in substantial compliance with those regulations and standards. Current law requires, within 60 days following the department's approval of a report relating to a general acute care hospital owner's plan to comply with those regulations and standards, a general acute hospital building owner to include all pertinent information regarding the building's expected earthquake performance in emergency training, response, and recovery plans, and in capital outlay plans. This bill would instead require general acute hospital building owners, commencing July 1, 2023, to take those actions annually until each of the hospital buildings owned by that owner is compliant with those regulations and standards.

**Position**

Oppose Unless  
Amend

**[AB 2080](#) (Wood D) Health Care Consolidation and Contracting Fairness Act of 2022.**

**Location:** 6/8/2022-S. HEALTH

**Calendar:** 6/22/2022 1:30 p.m. - 1021 O Street, Room 1200 SENATE HEALTH, PAN, Chair

**Summary:** Current law provides for the regulation of health insurers by the Department of Insurance. Current law regulates contracts between health care service plans or health insurers and health care providers or health facilities, including requirements for reimbursement and the cost-sharing amount collected from an enrollee or insured. This bill, the Health Care Consolidation and Contracting Fairness Act of 2022, would prohibit a contract issued, amended, or renewed on or after January 1, 2023, between a health care service plan or health insurer and a health care provider or health facility from containing terms that, among other things, restrict the plan or insurer from steering an enrollee or insured to another provider or facility or require the plan or insurer to contract with other affiliated providers or facilities. The bill would authorize the appropriate regulating department to refer a plan's or insurer's contract to the Attorney General, and would authorize the Attorney General or state entity charged with reviewing health care market competition to review a health care practitioner's or health facility's entrance into a contract that contains specified terms.

**Position**

Oppose

**[AB 2724](#) (Arambula D) Medi-Cal: alternate health care service plan.**

**Location:** 6/8/2022-S. HEALTH

**Calendar:** 6/22/2022 1:30 p.m. - 1021 O Street, Room 1200 SENATE HEALTH, PAN, Chair

**Summary:** Current law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services through various delivery systems, including managed care pursuant to Medi-Cal managed

care plan contracts. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. This bill would authorize the department to enter into one or more comprehensive risk contracts with an alternate health care service plan (AHCSPP), as defined, to serve as a primary Medi-Cal managed care plan for specified eligible beneficiaries in geographic regions designated by the department. The bill would authorize the department to contract with an AHCSPP as a Medi-Cal managed care plan in any geographic region of the state for which federal approval is available and for which the AHCSPP maintains appropriate licensure or an approved exemption from the Department of Managed Health Care.

**Position**

Watch

**SB 371 (Caballero D) Health information technology.**

**Location:** 7/14/2021-A. 2 YEAR

**Summary:** Would require any federal funds the California Health and Human Services Agency receives for health information technology and exchange to be deposited in the California Health Information Technology and Exchange Fund. The bill would authorize CHHSA to use the fund to provide grants to health care providers to implement or expand health information technology and to contract for direct data exchange technical assistance for safety net providers. The bill would require a health information organization to be connected to the California Trusted Exchange Network and to a qualified national network. The bill would also require a health care provider, health system, health care service plan, or health insurer that engages in health information exchange to comply with specified federal standards.

**Position**

Watch

**SB 923 (Wiener D) Gender-affirming care.**

**Location:** 5/27/2022-A. HEALTH

**Calendar:** 6/21/2022 1:30 p.m. - 1021 O Street, Room 1100 ASSEMBLY HEALTH, WOOD, Chair

**Summary:** Would require a Medi-Cal managed care plan, a PACE organization, a health care service plan, or a health insurer, as specified, to require its staff to complete evidence-based cultural competency training for the purpose of providing trans-inclusive health care, as defined, for individuals who identify as transgender, gender diverse, or intersex (TGI). The bill would specify the required components of the training and would make use of any training curricula subject to approval by the respective departments. The bill would require an individual to complete a refresher course if a complaint has been filed, and a decision has been made in favor of the complainant, against that individual for not providing trans-inclusive health care, or on a more frequent basis if deemed necessary.

**Position**

Watch

**SB 958 (Limón D) Medication and Patient Safety Act of 2022.**

**Location:** 5/27/2022-A. HEALTH

**Calendar:** 6/28/2022 1:30 p.m. - 1021 O Street, Room 1100 ASSEMBLY HEALTH, WOOD, Chair

**Summary:** Would prohibit a health care service plan or health insurer, or its designee, from requiring a vendor to dispense an infused or injected medication directly to a patient with the intent that the patient will transport the medication to a health care provider for administration. The bill would authorize a plan or insurer, or its designee, to arrange for an infused or injected medication to be administered in an enrollee's or insured's home when the treating health care provider and patient determine home administration is in the best interest of the patient. The bill would prohibit a plan or insurer, or its designee, from requiring an infused or injected medication to be supplied by a vendor specified by the plan or insurer, or its designee, as a condition of coverage, unless specified criteria are met.

**Position**

Support

**SB 988 (Hueso D) Compassionate Access to Medical Cannabis Act or Ryan's Law.**

**Location:** 6/16/2022-A. APPR.

**Summary:** Current law requires a health care facility to, among other requirements regarding medicinal cannabis, reasonably restrict the manner in which a patient stores and uses medicinal cannabis to ensure the safety of other patients, guests, and employees of the health care facility, compliance with other state laws, and the safe operations of the health care facility. Current law requires that health care facilities permitting patient use of medical cannabis comply with other drug and medication requirements, as specified, and makes those facilities subject to enforcement actions by the State Department of Public Health. This bill would repeal the requirement that health care facilities permitting patient use of medical cannabis comply with other drug and medication requirements, as specified. The bill would require a health facility to require a patient or a primary caregiver, as defined, to be responsible for acquiring, retrieving, administering, and removing medicinal cannabis and would require medicinal cannabis to be stored securely at all times. The bill would require

the patient or the patient's primary caregiver to, upon discharge, remove all remaining medicinal cannabis and, if a patient cannot remove the medicinal cannabis and does not have a primary caregiver, would require the storage of the product in a locked container until it is disposed of, as specified.

**Position**

Watch

**[SB 1339](#) (Pan D) Hospitals.**

**Location:** 6/2/2022-A. HEALTH

**Calendar:** 6/28/2022 1:30 p.m. - 1021 O Street, Room 1100 ASSEMBLY HEALTH, WOOD, Chair

**Summary:** Current law requires, by January 1, 2030, owners of all acute care inpatient hospitals to either seismically retrofit all acute care inpatient hospitals, or demolish, replace, or change to nonacute care use all hospital buildings not in substantial compliance with regulations and standards developed by the department in accordance with the act, as specified. This bill would require an acute care hospital in a building with a specified rating to submit to the Department of Health Care Access and Information the estimated cost for the hospital to comply with the 2030 seismic requirements. The bill would require the department to provide the Legislature with a report containing specified information that would provide, among other things, the Legislature with an assessment of projected costs to retrofit each hospital building in order to meet the 2030 seismic requirements. The bill would authorize the department to rely on the cost estimates submitted by the hospitals, and if the department relies on the estimates, the bill would require the department to clearly state in the report that the information was provided by the hospital and not verified by the department.

Support if  
Amended

## Maternal Health

**[AB 2176](#) (Wood D) Live birth registration.**

**Location:** 6/16/2022-A. ENROLLED

**Summary:** Current law requires each live birth to be registered with the local registrar of births and deaths for the district in which the birth occurred within 10 days following the date of the event. This bill would instead require each live birth to be registered with the local registrar within 21 days following the date of the event.

**Position**

Support

**[AB 2199](#) (Wicks D) Birthing Justice for California Families Pilot Project.**

**Location:** 6/15/2022-S. APPR.

**Calendar:** 6/27/2022 10 a.m. - 1021 O Street, Room 2200 SENATE APPROPRIATIONS, PORTANTINO, Chair

**Summary:** Would establish the Birthing Justice for California Families Pilot Project, which would include a 3-year grant program to provide grants to specified entities, including community-based doula groups, to provide full-spectrum doula care to members of communities with high rates of negative birth outcomes who are not eligible for Medi-Cal and incarcerated people. The bill would require the State Department of Public Health to take specified actions with regard to awarding grants, including awarding grants to selected entities on or before January 1, 2024. The bill would require a grant recipient to use grants funds to pay for the costs associated with providing full-spectrum doula care to eligible individuals and establishing, managing, or expanding doula services. The bill would require a grant recipient, in setting the payment rate for a doula being paid with grant funds, to comply with specified parameters, including that the payment rate not be less than the Medi-Cal reimbursement rate for doulas or the median rate paid for doula care in existing local pilot projects providing doula care in California, whichever is higher. The bill would require the department to utilize a portion of the funds allocated for administrative purposes to arrange for or provide, at no cost to the participants, training on the core competencies for doulas to people who want to become doulas, and community-based doulas in need of additional training to maintain competence, and who are from communities experiencing the highest burden of birth disparities in the state.

## Mental and Behavioral Health

**[AB 2242](#) (Santiago D) Mental health services.**

**Location:** 6/8/2022-S. HEALTH

**Calendar:**

6/22/2022 1:30 p.m. - 1021 O Street, Room 1200 SENATE HEALTH, PAN, Chair

6/28/2022 10 a.m. - 1021 O Street, Room 2100 SENATE JUDICIARY, UMBERG, Chair

**Summary:** The Lanterman-Petris-Short Act (the Act) authorizes the involuntary commitment and treatment of persons with specified mental health disorders for the protection of the persons so committed. Under the act, if a person, as a result of a mental health disorder, is a danger to others, or to themselves, or is gravely disabled, the person may, upon probable cause, be taken into custody by a peace officer, a member of the attending staff of an evaluation facility, designated members of a mobile crisis team, or another designated professional person, and placed in a facility designated by the county and approved by the State Department of Social Services as a facility for 72-hour treatment and evaluation. The act also authorizes a conservator of the person, of the estate, or of both, to be appointed for a person who is gravely disabled as a result of a mental health disorder. This bill, on or before July 1, 2023, would require the State Department of Health Care Services to convene a stakeholder group of entities, including the County Behavioral Health Directors Association of California and the California Hospital Association, among others, to create a model care coordination plan to be followed when discharging those held under temporary holds or a conservatorship. The bill would require the model care coordination plan and process to outline who would be on the care team and how the communication would occur to coordinate care.

**AB 2275 (Wood D) Mental health: involuntary commitment.**

**Location:** 6/8/2022-S. HEALTH

**Calendar:**

6/22/2022 1:30 p.m. - 1021 O Street, Room 1200 SENATE HEALTH, PAN, Chair

6/28/2022 10 a.m. - 1021 O Street, Room 2100 SENATE JUDICIARY, UMBERG, Chair

**Summary:** Under the Lanterman-Petris-Short Act, when a person, as a result of a mental health disorder, is a danger to others, or to themselves, or gravely disabled, the person may, upon probable cause, be taken into custody and placed in a facility designated by the county and approved by the State Department of Health Care Services for up to 72 hours for evaluation and treatment. If certain conditions are met after the 72-hour detention, the act authorizes the certification of the person for a 14-day maximum period of intensive treatment and then a 30-day maximum period of intensive treatment after the 14-day period. Current law requires a certification review hearing to be held when a person is certified for a 14-day or 30-day intensive treatment detention, except as specified, and requires it to be within 4 days of the date on which the person is certified. Existing law, after the involuntary detention has begun, prohibits the total period of detention, including intervening periods of voluntary treatment, from exceeding the total maximum period during which the person could have been detained, if the person had been detained continuously on an involuntary basis, from the time of initial involuntary detention. This bill would, among other things, specify that the 72-hour period of detention begins at the time when the person is first detained.

**SB 929 (Eggman D) Community mental health services: data collection.**

**Location:** 6/2/2022-A. HEALTH

**Calendar:** 6/28/2022 1:30 p.m. - 1021 O Street, Room 1100 ASSEMBLY HEALTH, WOOD, Chair

**Summary:** Current law requires the State Department of Health Care Services to collect and publish annually quantitative information concerning the operation of various provisions relating to community mental health services, including the number of persons admitted for evaluation and treatment for certain periods, transferred to mental health facilities, or for whom certain conservatorships are established, as specified. Current law requires each local mental health director, and each facility providing services to persons under those provisions, to provide the department, upon its request, with any information, records, and reports that the department deems necessary for purposes of the data collection and publication. This bill would additionally require the department to report to the Legislature, on or before May 1 of each year, quantitative information relating to, among other things, the number of persons detained for 72-hour evaluation and treatment, clinical outcomes for individuals placed in each type of hold, services provided in each category, waiting periods prior to receiving an evaluation or care, demographic data of those receiving care, and an assessment of all contracted beds. The bill would specify that the information be from each county for some of those data.

Watch

**SB 965 (Eggman D) Conservatorships: medical record: hearsay rule.**

**Location:** 5/19/2022-A. JUD.

**Summary:** The Lanterman-Petris-Short Act authorizes the appointment of a conservator, in the County of Los Angeles, the County of San Diego, or the City and County of San Francisco, for a person who is

incapable of caring for the person's own health and well-being due to a serious mental illness and substance use disorder. Current law establishes the hearsay rule, under which evidence of a statement is generally inadmissible if it was made other than by a witness while testifying at a hearing and is offered to prove the truth of the matter stated. Current law sets forth exceptions to the hearsay rule to permit the admission of specified kinds of evidence. Under this bill, for purposes of an expert witness in any proceeding relating to the appointment or reappointment of a conservator pursuant to the above-described provisions, the statements of specified health practitioners or a licensed clinical social worker included in the medical record would not be hearsay. The bill would authorize the court to grant a reasonable continuance if an expert witness in a proceeding relied on the medical record and the medical record has not been provided to the parties or their counsel upon request within a reasonable time before the proceeding.

**SB 1019 (Gonzalez D) Medi-Cal managed care plans: mental health benefits.**

**Location:** 6/2/2022-A. HEALTH

**Calendar:** 6/21/2022 1:30 p.m. - 1021 O Street, Room 1100 ASSEMBLY HEALTH, WOOD, Chair

**Summary:** Current law requires a Medi-Cal managed care plan to provide mental health benefits covered in the state plan, excluding those benefits provided by county mental health plans under the Specialty Mental Health Services Waiver. Under existing law, nonspecialty mental health services covered by a Medi-Cal managed care plan include, among other things, individual and group mental health evaluation and treatment, psychological testing, and psychiatric consultation, as specified. This bill would require a Medi-Cal managed care plan to conduct annual outreach and education for its enrollees, based on an annual plan that the Medi-Cal managed care plan develops and submits to the department, regarding the mental health benefits that are covered by the Medi-Cal managed care plan, and to also develop an annual outreach and education plan to inform primary care physicians regarding those mental health benefits.

**Location:** 5/27/2022-A. HEALTH

**Calendar:** 6/21/2022 1:30 p.m. - 1021 O Street, Room 1100 ASSEMBLY HEALTH, WOOD, Chair

**Summary:** Current law requires health care service plans and health insurers to provide specified mental health and substance use disorder coverage, and requires a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2021, that provides hospital, medical, or surgical coverage to provide coverage for medically necessary treatment of mental health and substance use disorders, under the same terms and conditions applied to other medical conditions, as specified. Current law requires health care service plans and health insurers, by July 1, 2019, to develop, consistent with sound clinical principles and processes, a maternal mental health program designed to promote quality and cost-effective outcomes, as specified. This bill would make findings and declarations relating to the effect of the COVID-19 pandemic on mental health in California and the importance of outreach, education, and access to quality mental health treatment. The bill would extend the deadline for establishment of the maternal mental health program to July 1, 2023.

**Calendar:** 6/22/2022 9 a.m. - 1021 O Street, Room 2200 SENATE LABOR, PUBLIC EMPLOYMENT AND RETIREMENT, CORTESE, Chair

**Summary:** Current law defines "injury" for an employee to include illness or death resulting from the 2019 novel coronavirus disease (COVID-19) under specified circumstances, until January 1, 2023. Existing law create a disputable presumption, as specified, that the injury arose out of and in the course of the employment and is compensable, for specified dates of injury. Current law requires an employee to exhaust their paid sick leave benefits and meet specified certification requirements before receiving any temporary disability benefits or, for police officers, firefighters, and other specified employees, a leave of absence. Existing law also make a claim relating to a COVID-19 illness presumptively compensable, as described above, after 30 days or 45 days, rather than 90 days. Current law, until January 1, 2023, allows for a presumption of injury for all employees whose fellow employees at their place of employment experience specified levels of positive testing, and whose employer has 5 or more employees. This bill would extend the above-described provisions relating to COVID-19 until January 1, 2025.

**SB 979 (Dodd D) Health emergencies.**

**Location:** 5/27/2022-A. HEALTH

**Calendar:** 6/21/2022 1:30 p.m. - 1021 O Street, Room 1100 ASSEMBLY HEALTH, WOOD, Chair

**Summary:** When the Governor declares a state of emergency, existing law requires a health care service plan and a health insurer to provide an enrollee or insured who has been displaced or has the immediate potential to be displaced by that emergency access to medically necessary health care services. Current law requires health care service plans and health insurers operating in a county included in a declaration of emergency to notify the Department of Managed Health Care and the Department of Insurance whether the plan has experienced or expects to experience a disruption to its operation, among other things. Current law provides for health care service plans and health insurers to take specified actions, including relaxing time limits for prior authorization, precertification, or referrals. This bill would revise those provisions to specifically apply to a declaration by the Governor of a state of emergency, or a health emergency declared by the State Public Health Officer, that displaces, or has the immediate potential to displace, enrollees, insureds, or health care providers, that otherwise affects the health of enrollees or insureds, or that otherwise affects or that may affect health care providers. The bill would authorize the Director of the Department of Managed Care and the Insurance Commissioner to issue guidance to health care service plans and health insurers regarding compliance with the bill's requirements during the first 3 years following the declaration of emergency, or until the emergency is terminated, as specified.
